

Red Belt to Black Belt - time and grade - quest for Black Belt

The Masters of Manna's Martial Arts are pleased to have you one step closer to starting on the path of Black Belt. The ranks of Red Belt are marked and mile markers set before you. Each one of our goals as a senior are our own, yet supported by those whom have traveled before us (the Dan members) and those with us.

Please accept this as a guide, not a rule for some of the mile markers along your journey.

Please see Black Belt Time and Grade Sheet
